**BEAUTY AND
THE BEAST** (1946)

La belle et la bête

Fantasy | Rated PG | 93 min

A romance for grownups who haven't lost touch with their childhood. Jean Cocteau's sublime adaptation of Mme. Leprince de Beaumont's fairytale masterpiece is a landmark of motion picture that reminds the viewer that movies are magic.

**THE CABINET OF
DR CALIGARI** (1920)

Das Cabinet Des Dr. Caligari

Horror | Rated PG | 67 min

A masterpiece of psychological horror famous for its spectacular warped sets and hallucinatory designs. It features some of cinema's most unforgettable scenes and one of the first great "twist" endings.
